- Refer to page 1-4 for Primeway's 12 standard wood finishes. New custom stain finishes are \$240 net price. Custom finish upcharge for repeating orders is \$140. Suitable wood sample must be provided by customer at the time of order. Custom finishes are good for 18 months from original creation. After 18 months a new formula must be created for rematch and approval. Charges apply. See disclaimer regarding wood finishes.

EDGE FINISH LOCATIONS

TRAINING TABLES

DIAGRAM 1

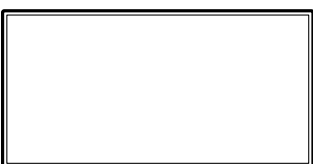

- Edge Profile is standard on all 4 sides of top.
- Note: Edge Profile #25 requires 2" radius corners.

DIAGRAM 2

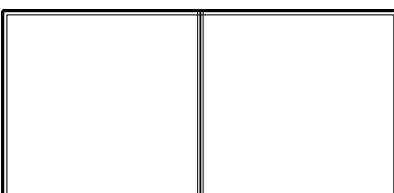

- For Edge Profiles 25, 42, 44, 46, and 48, the ends of the table can be specified to have a matching flat edge at no additional cost. **SEE DIAGRAM 2**
- The flat edge allows tables to be placed end to end without the gap created by profiled edges.

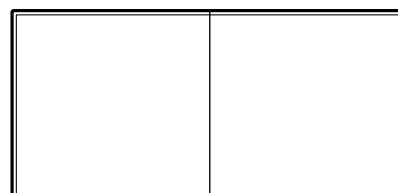

CONFERENCE TABLES

- Edge Profile is standard on all 4 sides of top.
- Note: Edge Profile #25 requires 2" radius corners.

- Edge Profiles 10 and 20.
- Profile on all edges of each half when 2 piece top is applicable.

- Edge Profile 25, 30, 35, 42, 44, 46, and 48.
- Profile on outside edges only - no edge detail where tops connect.
- Note: Edge Profile #25 requires 2" radius corners.
