FD Series tables accommodate your personal, team and training environment needs. The bold, modern base complements every work environment —**table versatility made simple.**

FEATURES AND OPTIONS

Primeway offers a wide variety of power/data solutions for training tables. From simple power to units with data options or just blank ports for customer provided components. All units enable users to easily access power and data.

Also refer to our complete Power/Data Solutions guide.

STANDARD TABLE FEATURES

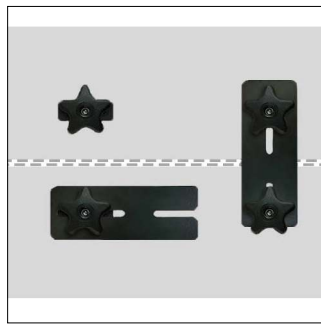

- HPL tops, 1/4" thick, with a default PVC-free impact resistant flat edge.
- Metal bases available in a powdercoat finish.
 - Adjustable leveling glides included.
- See "Standard Finishes" Color Card for available HPL / Edgeband / Powdercoat options.

OPTIONAL TABLE FEATURES

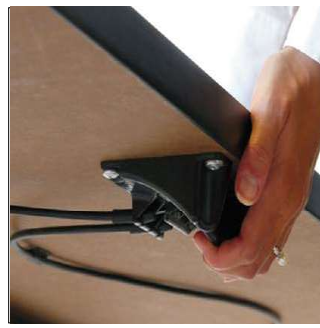

- Black casters for mobility
- Flip top feature for nesting / easy storage
- Power/Data options available
- Non-Standard HPL finishes - Consult factory.
- Other edge options available - Consult factory
- Additional accessories

Our optional modesty panels come in a variety of sizes and finishes. Wire management solutions are also available.

Need a way to connect your tables? These optional Quick-Connects will link your tables for whatever table configuration you desire.

This simple and safe single lever activation allows you to flip the top easily into the vertical position for nesting storage. Included wherever the flip top (FL) feature is offered.
