

JEFFERSON CONFERENCE

Primeway

JEFFERSON tables are flexible, functional and feature clean lines, sturdy construction and an elegant, single column support on a round or square base plate.

Offering great function and value, JEFFERSON tables are available in cafe, standard interactive, cocktail heights, and conference tables making it perfect for cafes, waiting rooms, dining areas, break rooms, conference rooms, and casual collaborative environments.

At Primeway, we create tables that enhance your working environment, whether it be in a classroom, an office, healthcare or maybe a relaxed in-between space.

MAKING YOUR WORKING ENVIRONMENT WORK

JEFFERSON : COLUMN BASE TABLE

Jefferson tables are perfect for a multitude of settings; conference rooms, offices, lunch rooms, reception areas, and in between spaces. Jefferson allows people to collaborate, interact and share information — **table versatility made simple**

POWER DATA OPTIONS

Primeway offers a wide variety of power/data solutions for conference tables. From simple power to units with data options or just blank ports for customer provided components. All units enable users to easily access power and data.

Also refer to our complete Power/Data Solutions guide.
