

## Credenzas & Hutches

### Features:

- 1" th. TFL (thermally fused laminate) worksurfaces, 1" th. TFL end panels where applicable, 3/4" TFL back panels, 3/4" pedestal construction. Quick braces or half legs are used for intermediate support of worksurfaces where applicable.
- Credenzas with storage cabinets have a 3/4" thick adjustable shelf 14" deep to allow easy access to bottom shelf.
- Credenza back panels have a scallop grommet on center near the worksurface for routing wires.
- All exposed edges in a PVC free impact resistant ABS edgebanding. All TFL finishes have matching edgebanding.
- There are four styles of drawer pulls to choose from. Each pull is available in either black or brushed steel, providing a choice of 8 different pull options to accent the credenza. See the inside back cover of the catalog for pull selections.
- Black drawers with full extension metal ball bearing drawer slides.
- Each drawer pedestal comes standard with a lock. A single lock will secure the bottom two drawers.
- File drawers accommodate standard letter width filing, letter size lateral filing or legal size lateral filing. File drawers are designed to accommodate standard hanging file folders only and should not be used for general utility use.
- All credenzas have adjustable glides for leveling purposes. Finished height is 28-3/4 including leveler.
- Credenzas require minor assembly. Shipped in components such as box box file pedestals, storage cabinets etc..
- All hutches, hutch bookcases, hutch curved end bookcases and over storage units ship assembled.
- Hutch cradles are shipped unassembled. Separate organizer units are shipped unassembled.
- All hardware necessary for assembly is included. Assembly is easy using simple hand tools.
- Hutch TFL doors, aluminum doors and aluminocoat doors do not get handles. The bottom edge of the doors act as its own handle.
- Aluminum doors and Aluminocoat doors come with frosted acrylic inserts. Locks are not available on aluminum hutch doors.
- Fabric covered tack boards are secured in place using the supplied velcro and 2 support clips.
- 2" Valance below storage area.
- Hutches are secured into place using a double sided foam tape.
