

# JEFFERSON OCCASIONAL

## Primeway

JEFFERSON tables are flexible, functional and feature clean lines, sturdy construction and an elegant, single column support on a round or square base plate.

Offering great function and value, JEFFERSON occasional tables are available in several different shapes, sizes and height which makes them the perfect table for any casual environment.

At Primeway, we create tables that enhance your working environment, whether it be in a classroom, an office, healthcare or maybe a relaxed in-between space.

# JEFFERSON : COLUMN BASE TABLE

---

Jefferson occasional tables are perfect for a multitude of settings. They are perfect for maximizing space under a table. The disc bases maintain the stability needed for a freestanding table.  
— **table design made simple.**

---

## POWER DATA OPTIONS

Primeway offers a variety of power/data solutions for cafe and meeting tables. From simple power to units with data options or just blank ports for customer provided components. All units enable users to easily access power and data. Also refer to our complete Power/Data Solutions guide.

## STANDARD TABLE FEATURES

- HPL tops, 1¼" thick, with a default PVC-free impact resistant flat edge.
- Round and Square base options available.
- Metal bases available in a powdercoat finish.
- See "Standard Finishes" Color Card for available HPL / Edgeband / Powdercoat options.

## OPTIONAL TABLE FEATURES

- Power/Data options available
- Non-Standard HPL finishes - Consult factory.
- Other edge options available - Consult factory
- Additional accessories
