

# MADISON TRAINING

## Primeway

MADISON tables feature simple lines, sturdy construction and come in an array of shapes, sizes and finishes. Wire management and power/data solutions are also available.

Offering great function and value, MADISON is available with flip tops, fixed or folding bases, with casters or glides , and can easily gang for any configuration.

At Primeway, we create tables that enhance your working environment, whether it be in a classroom, an office, healthcare or maybe a relaxed in-between space.

# MADISON : TUBULAR BASE TABLE

Madison tables are a perfect place to gather and collaborate. Tubular legs are designed for strength, durability and ease of reconfiguration — **table flexibility made simple.**

## FEATURES AND OPTIONS

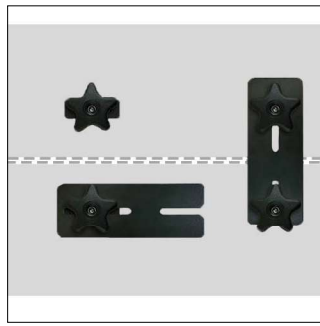

Primeway offers a wide variety of power/data solutions for training tables. From simple power to units with data options or just blank ports for customer provided components. All units enable users to easily access power and data.

Also refer to our complete Power/Data Solutions guide.

Our optional modesty panels come in a variety of sizes and finishes. Wire management solutions are also available.

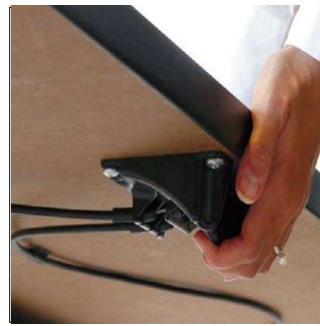

Need a way to connect your tables? These optional Quick-Connects will link your tables for whatever table configuration you desire.

## STANDARD TABLE FEATURES

- HPL tops, 1¼" thick, with a default PVC-free impact resistant flat edge.
- Metal bases available in a powdercoat finish.
  - Adjustable leveling glides included.
- See "Standard Finishes" Color Card for available HPL / Edgeband / Powdercoat options.

## OPTIONAL TABLE FEATURES

- Black casters for mobility
- Flip top feature for nesting / easy storage
- Power/Data options available
- Non-Standard HPL finishes - Consult factory.
- Other edge options available - Consult factory
- Additional accessories

This simple and safe single lever activation allows you to flip the top easily into the vertical position for nesting storage. Included wherever the flip top (FL) feature is offered.
