

SURFACES | 44 Standard HPL Solids, Patterns & Woodgrains

METAL BASES | 11 Powdercoat finishes: black, black wrinkle, light gray, medium tone, putty, silver metallic, slate, soft white, *(red, green & blue & others available- consult factory for details).*

EDGES | 7 Edge Profiles in Matching & Coordinating Finishes

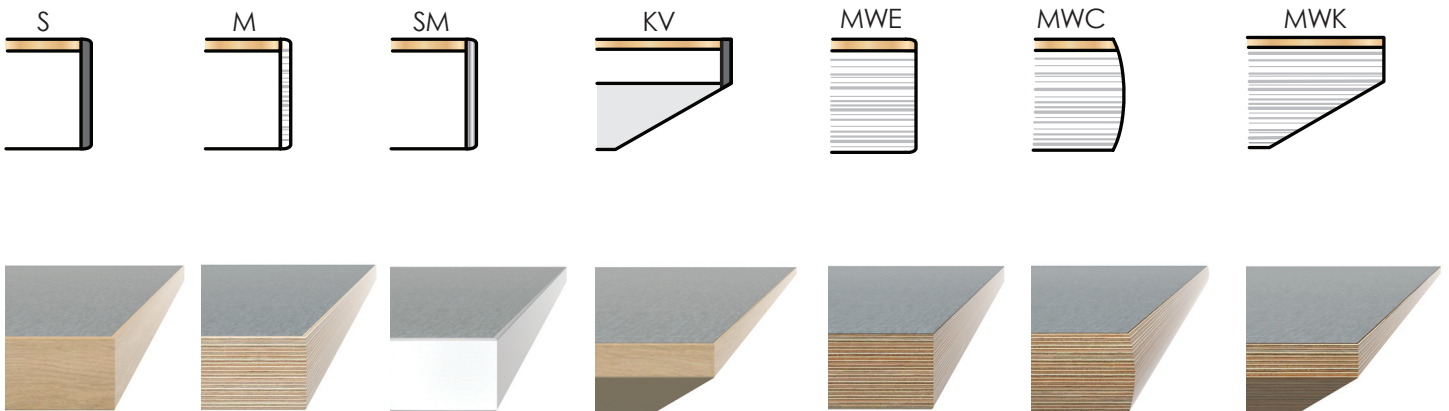

ABS 1 | Order code **(S)**: PVC-free impact resistant flat edge band with each standard HPL.

ABS 2 | Order code **(M)**: "MultiPly Look" flat edge OR **(SM)**: Silver Metallic flat edge.

ABS 3 | Order code **(KV)**: Knife profile*, 1/2" flat edge with bevel painted in companion color.

MultiPly Wood 1 | Order code **(MWE)**: Flat eased edge OR **(MWC)**: convex edge with a clear finish.

MultiPly Wood 2 | Order code **(MWK)**: Knife profile* with a clear finish.

**For some table collections, the knife profile angle may be slightly less than shown- to accommodate base styles.*
