

STORAGE CREDENZA

Primeway

The Storage Credenzas have a tasteful design with outstanding craftsmanship. They come with a classic kickbase, a modern full height door with a thin profile base feature or a contemporary metal leg feature, which helps create a finished look in any environment.

These Storage Credenzas are ideal for providing essential extra storage in conference rooms, private offices, and reception areas.

At Primeway, we create products that enhance your working environment, whether it be in a classroom, an office, healthcare or maybe a relaxed in-between space.
